ELIZABETH ARYSLANOVA

LEARNING AND ORGANIZATIONAL DEVELOPMENT PROFESSIONAL

SUMMARY

Learning and Development professional with 17 years of experience designing learning experiences, coaching subject matter experts, and building collaborative learning initiatives. My experience spans corporate learning, government training, education, research, and AI-driven product development. Most recently, I have worked in machine learning for audio software, giving me first-hand experience with AI adoption, technical communication, and collaboration within a fast-paced tech company.

COMPETENCIES

Learning Experience Design
Capability Building
Instructional Design
Workshop Facilitation
Curriculum Development
Coaching & Mentoring
SME Collaboration
Community Building
Technical Communication
AI & Digital Learning

EDUCATION

M.Sc., B.Sc. of Engineering and Technology

Photonics and Optical
Information Technology
ITMO University
2008 - 2014

Specialist Certificate in General Music Studies

Berklee Online, 2014

OTHER SKILLS

Python, PyTorch, Logic Pro X,
DaVinci Resolve, Affinity
Designer, Audio recording,
Video recording

LANGUAGES

English, Russian - Native
German - Intermediate

PROFESSIONAL EXPERIENCE

MACHINE LEARNING ENGINEER

Freelance

Remote | Feb 2024 - Present

- Contributed to the development of **10+ commercial audio plugins**..
- Prototyped DSP algorithms in Python to evaluate and validate new product ideas.
